

Whitechapel Gallery

First Thursdays

Late night art on the first Thursday of every month in east London

March's Walking Tour begins at the **Whitechapel Gallery** with a variety of free exhibitions including *Terrains of the Body* and *Guerrilla Girls*. Our new major retrospective *Eduardo Paolozzi*, explores the work of one of the most innovative and irreverent British artists of the 20th century (admission fee applies). Next, walk round the corner to **StolenSpace Gallery** to discover how Jamie Evans's work blends a graffiti-inspired aesthetic with fine art technique. From here, drop into **5th Base Gallery** to contemplate conceptual artistic expression, is this the same as a 'mental picture'? Go in and find out. The tour then heads to **Gallery S O**, here jewellery artist Mah Rana displays her visual and material exploration on the theme of clouds. Last but not least, the final stop is the annual members show at **Studio 1.1** celebrating work by an assortment of artistic individuals.
