First Thursdays

Late night art on the first Thursday of every month in east London

May's Walking Tour begins at the **Whitechapel Gallery**. Start your journey by checking out our new displays: *ISelf Collection: Self-Portrait as the Billy Goat* and the new commission *Emanuel Almborg: Learning Matter*. For your first stop, walk across the road to **The CASS** for two different exhibitions: *Weird Garden* at **Bank Space** and *Harry Meadley* at **Window Space**. Next stop is **Yamamoto Keiko Rochaix** to see how artist Molina alters perceptions through the explorative use of imagery. Finally, walk along to Brick Lane to **Gallery SO**, there you will find the new jewellery work by Bernhard Schobinger inspired by the writing of W.G. Sebald.
