The image shows a modern, minimalist interior space, likely a rooftop or high-floor studio. In the foreground, a rectangular table is covered with a white tablecloth and is elegantly set for a meal. It features several wine glasses, water glasses, folded white napkins, and silverware. Four dark-colored chairs are tucked under the table. The floor is made of light-colored wooden planks. In the background, a large glass door or wall provides a panoramic view of the East London skyline, including various buildings and a prominent structure with a lattice-like facade. A balcony railing is visible just outside the glass wall. The room is lit by warm, golden light, possibly from the setting or rising sun, which casts long, soft shadows across the floor and table. Several large, white, spherical pendant lights hang from the ceiling. On the left wall, there is a small white board with a list and a sign with the number '3'.

The Clore Creative Studio

With views across the East London skyline, our Clore Creative Studio is the perfect place to celebrate the festive season with an intimate drinks reception, party or dinner.

A group of people are gathered in a modern, well-lit studio space. In the foreground, a woman with short blonde hair, seen from behind, wears a dark blue dress with a silver band across her back. To her right, another woman with curly hair is seen from behind, wearing a black top with a large floral detail. In the background, several other people are engaged in conversation; one man in a grey blazer and red shirt is looking at a phone, while another man in a dark jacket holds a glass of wine. The room features light-colored wooden walls, a large spherical pendant light, and large windows in the background. The floor is made of light-colored wood planks.

Your hire will include the exclusive use of the Clore Creative Studio , a complimentary tech package, specialist AV technician, staffing and security.
